

INURRIETA

# Altos de Inurrieta

## Reserva 2019

*...delight, pleasure and balance. With body...and soul.*

**Grape varieties:** 60% Graciano 40% Cabernet Sauvignon.

**Vinification:** Aged for 14 months in French Allier oak barrels and 2 years in bottle.

**Tasting notes:** Born in our hillside vineyards with shallow, stony soils, located at an altitude of 450-480m. These conditions result in a stunning concentration in the grapes, assuring great balance and expression.

Careful vinification provides a wine of superb colour, intense and aromatic, with an initial display of fragrant fruit, memories of ageing in quality oak and alluring mineral notes. In the mouth, it is elegant and meaty, with enveloping, silky tannins.
