**Grape variety:** Graciano.

**Vinification:** Fermentation in wooden vats and aged for 14 months in French oak barrels.

**Tasting notes:** In our hillside vineyards dig their roots Deep into the soil, to turn them into survivors. This is the key to the personality of our grapevines: proud and difficult, complicated and enthralling. This is also the essence of this wine.

Especially intense, very saturated colour. To the nose, balsamic notes of very ripe grapes are its hallmark, In the mouth, its well-integrated acidity enhances the wine's aromatic expression contributing to an outstanding volume. The toasty notes from the oak are largely concealed, while fruit and freshness dominate the mouth, enveloped in a light liqueur with a large, persistent, lively finish.
